Single Equalities and Accessibility Policy

Introduction

This equalities policy is an attempt to amalgamate all the equalities legislation into one single equality policy for Phoenix St Peter.

Statement/Principles

The policy outlines the commitment of the staff and Governors to promote equality. This involves tackling the barriers which could lead to unequal outcomes so that there is equality of access and the diversity within the school community is celebrated and valued.

Our Equality Objectives

- 1) **All pupils and staff are valued equally**
- 2) **Through our core values we explicitly teach respect of differences while ensuring a sense of belonging**
- 3) **We will raise the attainment in reading of boys who receive PPG, bringing it in line with other groups**

We believe that **equity** at our school should permeate all aspects of school life and is the responsibility of every member of the school and wider community. Every member of the school community should feel safe, secure, valued and of equal worth. The principle of **equity** places a duty on the school to meet the needs of all. At Phoenix St Peter, equality and **equity** are key principles in meeting the needs of all the same, irrespective of their gender, ethnicity, disability, religious beliefs/faith tradition, sexual orientation, age or any other of the protected characteristics (Single Equalities Act 2010).
