

# Phoenix St Peter Academy

22.05.20

Dear Parents and Carers

I am writing to explain our current position with regards to reopening Phoenix St Peter Academy. The senior team continue to work hard on ascertaining our readiness to reopen as an educational setting on our own site and no final decision has been made yet.

I appreciate that many of you are feeling anxious and unsure and I am sorry that I am unable to give you anymore information at this time but I can assure you we are doing everything we can to ensure the safety of staff, pupils and families.

I can however now inform you Reach2 has taken the decisions that none of our schools will be open as education providers before 8th June. At this time it is likely that the childcare provision we currently have in place at the Limes will continue as it is until Friday 5th June for the same pupils who have been already been attending.

If you would like to speak to a member of the senior team about your individual circumstances, please contact the school office and one of us will call you back as soon as we can.

I am terribly grateful to you all for your support and engagement since the Government announced their intention to reopen schools. Speaking to the parents of nursery, reception, year 1 and year 6 pupils has helped shaped many of the discussions we have had over the past week.

I hope to be writing to you very soon with further clarity. In the meantime I wish you all a restful half term and thank you all for your continued support.

**With warmest wishes,**

**Miss Paczuska**
