## Online Learning

Monday 15<sup>th</sup> June 2020

Dear Parents/Carers,

For the rest of the summer term we would like to provide all children at home with **online learning four days a week** (Monday – Thursday). We are beginning this with daily phonics and maths sessions.

We will be using the platform **Microsoft Teams**. For this, your child will need access to either a computer, laptop, tablet or smart phone with access to the internet.

We have been working to create a timetable to avoid sibling clashes and ensure children are in small enough groups to get the most from their sessions. Once all parents and staff are able to access Microsoft Teams, we will then determine a start date and inform children and parents of their dedicated time slots for their lessons.

### Lessons

Nursery, Reception, Year 1 and select Year 2 children will have daily phonics sessions in a 30minute time slot between 9am and 10:30am.

All children will have a daily maths session in 30minute time slots between 9am and 3pm.

Writing provision will continue through the Talk for Writing packs, the next set of packs will start on Monday 29<sup>th</sup> May, more information to follow.

### Before Online Learning Begins

Later today, teachers will be contacting you with your child's login details with a Marvellous Me message like below:

## Safeguarding

As always, the safety and wellbeing of Phoenix children is our biggest priority. To ensure this, we ask that:

- Children are fully dressed at all times.
- Children are in a communal area such as a living room or dining room and not their bedroom.
- Lessons are not photographed or recorded by the child, teacher or parent/carer.
- Children only attend their timetabled lessons.

If you have any trouble logging in to the online learning platform, please contact your child's online learning maths teacher for further support.

If you have any questions, please do not hesitate to ask.

Thank you for your continued support.
