

PE and Sports Report 2018-19

PE and Sport Premium 2018-2019

Allocated £17960

Phoenix St peter Academy			
Item project	Planned cost	Objectives	Impact
Staff training	£3025	<p>Increase the content knowledge on Physical Education and to increase the variety and quality of Physical Education and School Sport provision and delivery.</p> <p>Teachers will be sent on courses to allow them to learn new physical activities which could be used in a variety of different ways within school.</p> <p>We will be sending the PE lead on a swimming course and the yoga teacher on yoga course.</p>	<p>Teachers will gain more confidence in teaching PE which will allow children greater education.</p>
Extra-Curricular Activities	£6350	<p>Increase the amount of extra-curricular clubs on offer during and after school hours. The funding will allow external coaches to deliver expert lead clubs.</p> <p>We will be looking to make links with ultimate boxing, Lowestoft town fc, Waveney gymnastics, kirkley & Pakefield fc, Heads up tennis, Lowestoft hockey, Jordan Everitt fitness and Premier education.</p> <p>Year 6 adventurous outdoor residential.</p>	<p>Investing in afterschool clubs will provide more opportunity for our children and will hopefully encourage to participate in sports outside of school.</p>
Sports Fixtures/Travel	£2490	<p>The school will hire coaches to transport students and staff to School Sport fixtures and tournaments.</p>	<p>Children will be able participate in more sports fixtures, which will then allow more children to have the</p>

			opportunity of representing the school in a competitive event.
Sports Partnership Contributions and health membership	£925	We have signed up to the Lowestoft and Beccles sports partnership and the reach 2 sports partnership. This will allow children more opportunity to compete against other children in sports competitions.	Children will become more confident in participating in sports. Also Investing in the NSSHP this will give the school further opportunities to meeting the requirements of Ofsted's new Health Agenda for schools, which will also allow our children to understand more regarding Healthy Active Lifestyles.
Sports Equipment	£2950	Purchasing equipment which will increase variety of physical activities to use in Physical Education and extra-curricular clubs. Purchasing equipment could also be used to support School Sports fixtures, such as safe football goals, sounds systems to increase the dance happening during play times, fitness, netball and gymnastics benches equipment which allowed us to run afterschool clubs for more children.	For children to learn and participate in new sports. It will give children a wider range of sport to participate in.
Medal and trophies	£200	Medals and trophies purchased for extra-curricular achievements and for intra-sport competitions, end of year sports ceremony and sport day achievements. This will increase the enthusiasm and promote positive competition	Will give children a sense of achievement and will give children a target that is achievable.

Sports kit for UKS2	£395	KS1 will continue to participate in R2EASP events. Providing them with a school kit, this will give the children representing the school a greater sense of pride.	Will make the children feel part of a team.
Staff assistant at sports competitions	£450	A sports assistant will attend the competition alongside the PE lead, this will mean children are safe at events and we are able to take more students to increase participation.	More children can attend the competitions.
Improvements made to our adventure trail	£644.68	Children are able to climb, improve balance and coordination at break times, before and after school.	Children will become more confident when climbing and will improve fine /gross motor skills that can be transferred into physical education lessons.
Contribution to the outdoor adventure year 6 trip	£500	For all year 6's to participate in outdoor adventure activity's such as wall climbing, high ropes, orienteering and zip lines. The skills learnt will help improve their confidence or when they start secondary school.	To enhance children's physical education experiences, to learn new skills and to work in a team improving team work, leadership and communication skills.
Total money spent	£17,929.68		

Meeting national curriculum requirements for swimming and water safety	
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	50%
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	66%

What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	30%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No

CPD attended this year
