

# Phoenix St Peter Academy

16<sup>th</sup> April 2020

Dear Parents and Carers

I would like to thank you all for supporting your child's learning in these unprecedented times. We have had some positive feedback about workbooks, PE activities and daily story time as well as our keeping in touch calls.

I have been in touch with parent representatives for each class and we have talked about the best ways to support you to support your children to learn at home for the next few weeks. Below are the learning activities we are setting as a school:

1. Writing project for each class - details and resources for this will be sent by Miss Burns via Marvellous Me.
2. A weekly maths challenge for each class - details for this will be sent by Miss Khatri via Marvellous Me.
3. Daily story time will be uploaded to the website and the school Facebook page daily.
4. Teachers will do a weekly keeping in touch call for each family.
5. Teachers will be available to answer all enquiries via the class email address.

If you have not yet signed up to Marvellous Me, the office staff can help you with this. Please email them at [office@phoenixstpeter.org](mailto:office@phoenixstpeter.org)

We would like to capture this learning and will share ideas with you on how we do this in the coming weeks.

In addition to the above, and for those who would like to do more formal learning activities with their children, we have compiled a list of great websites and online resources on our website.

If you have any questions about home learning, please email your child's class teacher at one of the following addresses who can explain further or help out with any queries.

Suffolk, NR33 ONE

# Phoenix St Peter Academy

If you would like to speak with me, please do email me at the office email address ([office@phoenixstpeter.org](mailto:office@phoenixstpeter.org)) and I will get in touch. Alternatively you can pass views and feedback to me via one of the parent representatives (below).

[Names included on letter sent via Marvellous Me]

The Phoenix staff miss the children terribly and want to support as best we can in these difficult times. We are working hard to prepare for when we come back together as a community but in the meantime will stay in touch and urge you to do the same.
